Software programming. CHIRP free radio programming software CHIRP is constantly being updated and improved to work on more and more radio models, but often has major or minor issues when attempting to program Baofeng HTs, depending on the radio firmware version, and the Baofeng's firmware cannot be updated; however, the majority of problems I've seen have been user errors

The citizens band radio service originated in the United States as one of several personal radio services regulated by the Federal Communications Commission (FCC). These services began in 1945 to permit citizens a radio band for personal communication (e.g., radio-controlled model airplanes and family and business communications).
